MEMORANDUM FOR: Chief, Data Management Division, NPIC

SUBJECT: Security Violation of 4 July 1962

1. Attached is the correspondence relating to the security violation which occurred in the Photo Laboratory on 4 July 1962. Although the Office of Security was not disposed to charging the individuals involved with the security violation, in my judgment they should be reprimanded by you. Accordingly, you are directed to reprimand [redacted] and caution them of the serious need for strict adherence to proper security procedures. 50X1

2. As far as corrective measures are concerned, I feel that providing security check officers with flashlights should be adequate for solving the lighting problem. Please see that they are so equipped.
